

# FINANCING YOUR HOME IMPROVEMENTS

**The Little Conservatory Company** is able to offer a **loan option** from Phoenix Financial Consultants Limited ("Phoenix") on their windows and doors quotes.

Phoenix acts as a credit broker (it is not a lender) and can introduce you to a loan for the full cost of the home improvement from a panel of lenders. Loan approval is not guaranteed and you will need to complete a short loan application which will assess your financial circumstances and your ability to repay the loan. **Your credit file will be searched by the lender.**

## Key features of the loan:

- Loan terms available from **3 - 10 years**.
- Interest rates available from **14.9%** APR Representative.
- You can pay a deposit if you wish (directly to the trader) or apply to borrow the entire amount.
- Overpayments and early repayments can be made at any time. If you make overpayments, you will avoid future interest, and the length of the loan will be reduced.
- You will need to decide if the loan is right for you. Neither Phoenix nor your trader can give you any financial advice.
- The table on page 2 shows the monthly repayment and the total amount repayable for a quoted amount of £4,000.00.
